

Labdara's 15th Anniversary Staff Party

The Nursing Home's Administration hosted a party for all Labdara staff to celebrate the 15th Anniversary of the nursing home and to recognize the great work the staff do to make Labdara a desired home to live in. A wonderful array of food was provided by the Yellow Bean Cafe and a special anniversary cake was enjoyed by all in the outdoor resident garden area on the afternoon of Wednesday, June 21st. Board Director, Rauda Dickinson handed out certificates of appreciation to all staff expressing everyone's thanks for the many years of caring for our residents.
